Dear Sir:

A reference entitled "Event Detection and Summarization in Sports Video" was inadvertently included on the Information Disclosure Statement. This article was published at an IEEE Workshop on Content Based Access of Image and Video Libraries in December 2001, in Kauai, Hawaii. Accordingly, the subject paper was not published at least one year prior to the filing date of the subject patent application and any previous implication is hereby rescinded.

If the Examiner has any questions, please do not hesitate to contact me.

The applicant respectfully requests that the Examiner does not initial the Information Disclosure Statement associated with this reference.
